

Trombone Audition

Frequently Asked Questions

Q: Do I have to major in music to receive a music scholarship at A-State?

A: Absolutely not! We have students from across campus as a part of our band program, and many who choose to minor in music.

Q: When can I expect to receive my scholarship award letter?

A: Award letters are typically sent out in batches, beginning in November. Dr. Faske makes his recommendation to Dr. Oliver based on your audition, and Dr. Oliver sends the award letter through the mail. Please note: you must have applied to the university and been accepted to receive an award letter from the department of music!

Q: Does auditioning at A-State obligate me to attend the university in the fall?

A: No, it does not. Scholarship award letters are not official until May 1. I encourage students to audition at multiple schools to help them find the right “fit” for them.

Q: How do I go about applying for admission to A-State?

A: To apply for admission to A-State, please take the following steps:

1. In your preferred web browser, visit:
<http://www.astate.edu/info/admissions>
2. If you have questions concerning the admissions process, please email admissions@astate.edu for more information.
